To whom it may concern

Dear Sir/Madam,

Subject: Reference Letter for Atlantic Auto Storage

I would like to express my appreciation aimed at a business executing at the highest level of customer service and value; Atlantic Auto Storage. The proprietors, David and Helen Park, have on a consistent basis, provided the best possible auto storage service for my vehicle based on my situation. As a military member stationed overseas for the last 2 ½ years, with no way of checking on my vehicle, Atlantic Auto Storage has met or exceeded all advertised business mission statements. I know this because of consistent personalized customer contact via email. Additionally, any requests which I may have which were perhaps outside the agreed-upon contract were quickly addressed, completed if able, and all receipts for this service were quickly provided.

Over the past few years I have recommended Atlantic Auto Storage to numerous personnel not only within the DoD but within the civilian workforce as well. This company seems able to support any client. I will continue to recommend Atlantic Auto Storage as a #1 vehicle storage option for years to come.

Sincerely,

//SIGNED//
